O R D E R

On May 24, 2006, Complainant, Robert Young Family, filed a formal complaint against Southeastern Water Association, Inc. ("Southeastern"). By Order dated June 1, 2006, Southeastern was ordered to answer or satisfy the complaint. Southeastern filed its answer with the Commission on July 7, 2006. On July 26, 2006, Commission Staff issued a data request to Southeastern. Responses to the data request were due within 10 days from the date of the request. Southeastern has failed to respond to the data request. The information requested is important to the resolution of this case and Southeastern must file its responses. Failure to respond timely could result in a finding for the Complainant.

IT IS THEREFORE ORDERED that:

1. Within 15 days of the date of this Order, Southeastern shall file with the Commission its responses to Commission Staff's first data request that was issued on July 26, 2006.

2. Extensions of time in which to respond to this Order shall be granted only for good cause.
